

For reference only!version1.0

IEC

Overvoltage Category	III
Contamination Class	3
Rated Voltage [V]	-
Rated Current [A]	17.5
Impulse withstand voltage [KV]	-

Material

Insulation Material	PA66
Conductor Material	Copper alloy
Plating of conductor surface	Sn plated

Other Data

Operating temperature [°C]	-40°C~+105°C
Poles	2-10

Dimensions
